Alcohol Testing Notice: If testing for alcohol, the donor shall refrain from use of, or exposure to, *all* products containing alcohol prior to testing. This includes, but is not limited to: cough suppressant medications, hand sanitizer, mouthwash, vape products, soy sauce, and any other product containing alcohol.

Hair & Nail Collection Notice: The donor must have at least 1.5 inches of head hair, or sufficient body hair, for hair testing, and all 10 fingers or toenails of sufficient length for nail testing. The donor is hereby **ordered to refrain from shaving or cutting hair or nails** until further order of this Court. If the Petitioner/Respondent appears for a hair test with all outside body hair and underarm hair shaved, he/she shall be deemed to have **tested positive** for drug and/or alcohol abuse. Additionally, the donor shall not dye, color, or undergo any other hair process (other than washing) for at least **four (4) weeks** prior to testing.

4. TrueTest Labs will administer the random schedule set forth above using a random call-in program. Upon receipt of this Order, TrueTest Labs will notify the _____ of the protocol to follow. **Failure to appear for scheduled testing shall be deemed a positive test result.** Call logs will be made available upon request of counsel for either party for compliance review.
5. Immediately following entry of this Order, counsel for _____ shall provide TrueTest Labs with a copy of this Order, along with all relevant information (name, land and cell phone numbers, and email address) for the party or parties being tested.
6. TrueTest Labs shall release all test results to the following:

_____ — Counsel for Petitioner

Email: _____

_____ — Counsel for Respondent
